

Theater Aerospace Command & Control Simulation Facility (TACCSF)

- DoD's most robust command and control simulation facility
- Advanced Distributed Simulation (ADS), DIS, HLA
 - Real-time, human-in-the-loop execution-level simulation
 - Nation-wide communications infrastructure
- Virtual (human-in-the-loop) and constructive (computer-generated)
- Real-world tactical data communications links (TADIL-J, TADIL-A, TADIL-B, Link-16, ...)
- Data collection and analysis capabilities

"We provide the war, you provide the warfighter"
